and
Garden Clubs of Australia Inc.

THE CITY OF FAIRFIELD GARDEN CLUB INC.

was founded in November 1972 by a handful of garden enthusiasts from the local community who felt that Fairfield should have its own Garden Club.

From those early days till now, the Garden Club has always shared in the wealth of friendship, of garden expertise and community spirit.

In 1991 we moved into the Commercial Hall at Fairfield Showground.

In June 2005 this hall was destroyed by fire and we then took up residence in the Fairfield City Museum & Gallery.

Our Annual Diary consists of a monthly meeting, often with a Guest Speaker, an inter member Show of Plants, Flowers, Fruit and Vegetables, followed by Afternoon Tea. Points are awarded each month, and at the end of the year, the person with the most points wins the Point Score Shield, has their name engraved on it, and keeps it for one year.

We also have a Junior Shield for child members.

A Spring Show is held in September and is open to all. We receive support for Trophies and Prize Money for the Spring Show from our club members and the community, to whom we are very grateful.

We also hold an Annual Spring Garden Competition, which is open to all residents of Fairfield City. It is sponsored by the Fairfield City Council.

During the year we have a local Garden Walkabout, outings, weekends away and other interesting activities.

Our Club is for all ages, including children.

Membership is welcomed and open to all.
